पोर्टल की प्रगति की समीक्षा बैठक

‘राज किसान साथी’ पोर्टल का कार्य समयबद्ध तरीके से शीघ्र पूरा करें

- प्रमुख शासन सचिव, कृषि

Raj Kisan Sathi Portal Registration process is soon going to be started by the **Rajasthan government**. At this portal, around 150+ mobile apps for farmers will remain available at one place. As we all know that farmers are backbone of the Indian nation. The farmers supply us food items such as dal, rice, wheat etc. which comes from their hard work in fields. Now the state govt. is going to start farmers registration process which will enable them to avail scheme benefits online.

Now a days, most of the farmers schemes benefits can be obtained after applying online through Direct Benefit Transfer (DBT) mode. This application process includes central govt's as well as state govt's schemes. But some farmers have to make offline registration for farmers

schemes for which they have to make unnecessary visits to the govt. offices. This roaming from one dept. to another causes great problems to the farmers.

Moreover, farmers had to face inconvenience in filling application forms of govt. schemes which are invited at different portals. So to ensure the availability of farmers schemes at one place, govt. will launch Raj Kisan Sathi Portal. After its launch, farmers would be able to apply for different schemes at one place.

## **Rajasthan Raj Kisan Sathi Portal Registration Online**

The Single Window Rajasthan Raj Kisan Sathi Portal will be beneficial for farmers involves in both agricultural as well as animal husbandry. At this portal, farmers would be able to apply online for all the farmer welfare schemes at a single place. Raj Kisan Sathi Portal Registration would be done through online mode at an official link. As soon as the link becomes functional, we will update it here.

### **150+ Apps for Rajasthan Farmers at One Place**

Around 150 Apps for farmers would be developed which will remain available at the Raj Kisan Sathi Portal. The Rajasthan state govt. has issued directions to develop user friendly apps for various schemes. The main aim is to ensure that farmers can easily apply online for these “Kisan Kalyan Yojanas” which will also promote transparency. A project management units has been setup to review the works of app development. Out of the 150 apps which are to be developed, around 20 apps have already been completed.

### **Development of Raj Kisan Sathi Portal under Ease of Doing Farming**

Raj Kisan Sathi Portal is being developed under the “Ease of Doing Farming” initiative of the Rajasthan government. The main plus point of this Raj Kisan Sathi official website will be to provide farmer centric services at single place. Farmers will be able to access information related to agriculture and would be able to fill application form for various subsidies with the concerned department. The portal is developed in collaboration with the Information Technology & Communication department of Rajasthan.

### **Online Benefits of Agricultural Schemes at Raj Kisan Sathi**

Most of the schemes in India provides benefits to farmers through DBT mode for which farmers have to apply online. The main striking feature of Raj Kisan Sathi portal is that after

applying online for schemes, applicants will get messages of step by step process at their registered mobile phone. This process will ensure transparency. At the portal, agricultural machinery, gardening, agricultural marketing, cooperatives, animal husbandry, fisheries dept, seed corporation and organic certification body have been included.

## **Raj Kisan Sathi Benefits**

The apply online process for various grant schemes of agriculture and concerned departments are reviewed and are being simplified. **Department of Information Technology and Communication** is also involved in the development of Raj Kisan Sathi Portal. With the help of this portal, the entire process from providing grant to payment to farmers will be made online.

कृषि विभाग के प्रमुख शासन सचिव श्री कुंजीलाल मीणा ने काश्तकारों को सभी योजनाओं का लाभ एक ही स्थान पर ऑनलाइन मुहैया कराने के लिए विकसित किए जा रहे 'राज किसान साथी' पोर्टल का कार्य समयबद्ध ढंग से शीघ्र पूरा करने के निर्देश दिए। **#Raj\_Kisan\_Sathi #Rajasthan**

## **Other Important Information at Raj Kisan Sathi Portal**

Farming and agricultural activities are most important pillars for the development of Indian economy. A substantial percentage of gross domestic products (GDP) depends on farm produce. So, the central as well as state govt's have to design schemes and work for the welfare of farmers to raise their production. It is because when the farmers would prosper, then the entire nation will prosper. Moreover, if the quality of farmers produce will increase then it will significantly have positive impact on the health of citizens.

Farmers will also get the advance technical information and expert opinions at the Raj Kisan Sathi Portal. Farmers will be made aware of many facilities on their mobile phones such as agricultural scheme, latest tech updates, seed production, organic farming, mandi prices, how to take machine on rent.
